

Subject Learning Journey - Geography (New Year 9)

Identity and
Sovereignty

Superpowers

Tectonic Hazards

Coastal Landscapes

Globalisation

Shaping Places

Independent Investigation

13

Water Systems and
Water Security

Carbon Systems and
Energy Security

12

Energy Resources:
Challenges and Futures

Forests Under
Threat

People and the
Biosphere

11

Challenges of an
Urbanising World

Development
Dynamics

Hazardous Earth:
Tectonic Hazards

Hazardous Earth:
Extreme Weather

Hazardous
Earth:
Climate
Change

9

Tectonic Hazards

Climate Change: Past,
Present and Future

UK Highland and Lowland
Landscapes

UK Coastal
Landscapes

UK Population and
Settlement

UK River
Landscapes
