# Sixth Form - Welcome

August 2024

[leighacademyhughchristie.org.uk](http://leighacademyhughchristie.org.uk)

# Welcome

Congratulations on your GCSE results, it was lovely to meet you on the enrolment day and we look forward to welcoming you to sixth form on the induction day - Wednesday the 4th of September.

Our student leaders will also be on hand to welcome you and answer any questions from a student perspective and you will meet the sixth form team.

Mrs. Stubbs - Assistant Principal for Sixth Form

Ms. Dolan - Pastoral Manager for Sixth Form

Mrs. Pike - Attendance and Admin Support for Sixth Form

Advisors:

Ms. Jackson - Head of History

Ms. Hudson - Head of Business

Ms. Jacobson - UCAS Coordinator

Ms. Nair - Maths Teacher

Mr. Mcpherson - Head of Photography

Mr. Thomas - Head of Design Technology

# What's coming up?

## Wednesday the 4th of September - Induction Day

We are fortunate to have a brand new sixth form study area for you to utilise; a professional working space similar to a staff room in the workplace with a fridge, microwave and drink making facilities. Remember to bring your lunch as we will be networking together on the first day.

Our advisory curriculum makes the transition from year 11 to sixth form and independent study smooth and successful. We guide you through every aspect of sixth form; we 'stand on the shoulders of giants' so you get a head start in your sixth form experience as we share best practice in subjects, pastoral care, careers guidance and effective ways to lead yourself to success.

We also start our extra curricular offer from day one, you will be able to find out more about the autumn clubs, societies and volunteering at our networking lunch on day 1.

Wednesday the 25th of  
September at 6.30pm

## Students and families invited

To help our students and families learn more about life in our sixth form we invite families for an information evening to find out more about the academic and extracurricular activities you will be taking part in over the next term as well as careers support on offer to work towards your next steps.

We work proactively so you have lots of meaningful opportunities!

# What do we do for careers?

We know how key it is for you to understand the industries you want to work in so we are running bespoke societies to help you work with industry experts, learn more about a range of roles in that area, have fun and of course strengthen your future apprenticeship, university and job applications.

We ensure our students are exposed to a large range of opportunities to develop their professional skills so that they can lead and present to experts with the assurance they have credibility.

We run bespoke societies to reflect the current year groups interests, adopting a small school model we are able to offer much more personal extra curricular support to meet your individual needs. **If you are interested in Finance, Tech or another area please speak to Mrs. Stubbs as we are here to meet your needs.**

## **Societies launching Autumn 2024:**

### **Law Society**

Visiting a live court, speaking to legal professionals and working on case studies are just part of our offer to equip you with the cultural knowledge to embark on a legal career.

### **Creative Industries Society**

If you are interested in building your intellectual curiosity through photography, music or dance then joining this society will enable you to do project based work that can develop a range of skills and also contribute to community goals.

# Missed enrolment?

Email Mrs. Stubbs, Assistant Principal for Sixth Form, to arrange an initial call to discuss your application.
