

# Subject Learning Journey - **A level CHEMISTRY**

Exam Revision

Exams..

Analysis

Nitrogen compounds,  
Polymers and Synthesis

Aromatic Compounds,  
carbonyls and Acids

13

Rate, Equilibrium and  
PH

Energy

Transition Metals

Alcohols, Haloalkanes  
and Analysis

Basic Concepts and  
Hydrocarbons

Physical Chemistry

12

Atoms and  
Reactions

Electrons, Bonding and  
Structures

The Periodic Table
