

# Subject Learning Journey -

## A Level BIOLOGY

Leigh Academy  
Hugh Christie

Mutations & Gene  
Expression

Genome Projects &  
Gene Technologies

Exam  
Revision

Exams

Populations in  
Ecosystems

Populations  
& Evolution

Genetics

Homeostasis

Photosynthesis &  
Respiration

13

Stimuli  
& Responses

Nervous  
Coordination

Energy Transfer &  
Nutrient Cycles

Diversity, Classification  
& Variation

DNA, RNA  
& Protein Synthesis

Exchange &  
Transport Systems

12

Biological  
Molecules

Cell Structure and  
Division

Cell  
Membranes

Cells  
& Immunity
