Safeguarding at Leigh Academy Hugh Christie

Our school has a Safeguarding Policy for staff, families, and our school community. This is a child friendly policy and it is designed to help you.

It will remind you what a problem could be and where to get help. It is good to talk to someone about things that are upsetting you or make you feel uncomfortable, sad or angry.

We have people at school who are trained to help you.

Safeguarding means we will:

Protect you from harm and keep you safe

Listen to you when you are worried or sad.

Make sure nothing stops you from being happy.

Make sure you have the best chances in life

How we will protect you:

We will provide a safe and secure academy environment for you to learn, progress and thrive in.

We will help to ensure that you are safe and happy on site.

We will help you to know where to get help if you are worried or unhappy.

At LAHC, we want you to be happy, learning and safe

Tell someone so we can help

Are you being hurt by a child or an adult?

Has someone said something that makes you feel sad, scared or worried?

Has a child or an adult touched you in a way that you don't like?

Has somebody shouted, threatened, hit or hurt you or somebody else?

Has someone shown you a picture that you don't like?

Has someone been unkind online?

Are you being taken care of at home?

Are you taking alcohol or drugs?

Is someone trying to make you do something that you don't want to do?

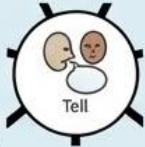

ALL adults at LAHC keep you safe

Tell someone so we can help
